

Khawaja Tariq Mahmood

House # 512 BIV/538 Makki Street, Near Hajji Choke, Muslim Town, Rawalpindi

Mobile: 0321-7741667

Email: tariq512@yahoo.com

Personal Information

- Father Name: Khawaja Abdul Aziz
- Nationality: Pakistani
- Date of Birth: 10-03-1966
- NIC: 34402-4992470-1

Career Objective

To pursue a progressive career in a dynamic organization that provides opportunities for professional and personal growth while contributing to organizational performance and development.

Academic Information

- **M.Phil in Mathematics** 2011 – 2014
Preston University Islamabad
CGPA: 3.1 — Percentage: 83%
- **M.Sc in Mathematics** 2006 – 2008
Preston University Islamabad
CGPA: 3.9 — Percentage: 93%
- **B.Cs in Computer Science** 2003 – 2006
Allama Iqbal Open University Islamabad
1st Division — Percentage: 68%
- **F.Sc (Pre-Engineering)** 1985
Govt Zamindar Degree College Gujrat
2nd Division — Percentage: 45%
- **Matriculation (Science)** 1981
Govt High School Mandi Bahauddin
2nd Division — Percentage: 54%

University Level Experience

International Islamic University (IIU), Islamabad

Lecturer (Adhoc), Department of Mathematics

Fall 2014 – Present

- Introduction to Linear Algebra
- Calculus with Analytical Geometry
- Multivariable Calculus
- Differential Equations
- Numerical Computing

- Introduction to Use of Computer

Grafton College, Islamabad

Lecturer (Visiting), Department of Computer Science

Fall 2015 – Present

- Calculus with Analytical Geometry
- Differential Equations
- Probability and Statistics

International Islamic University (IIU), Islamabad

Visiting Lecturer for Mathematics, Department of Computer Science

Fall 2008 – Spring 2014

- Linear Algebra
- Differential Equations
- Calculus with Analytical Geometry
- Probability and Statistics
- Multivariable Calculus
- Computational Mathematics

Grafton College Islamabad

Visiting Lecturer for Mathematics, Department of Computer Science

Fall 2013 – Fall 2014

- Calculus-I
- Multivariable Calculus
- Linear Algebra
- Discrete Structures-I

International Islamic University (IIU), Islamabad

Visiting Lecturer for Mathematics, Department of Management Sciences

Fall 2008 – Fall 2013

- Mathematics and Statistics for Business
- Quantitative Methods
- Statistical Inference

University of Gujrat (Govt Gordon College Rawalpindi)

Visiting Lecturer for Mathematics

Sept 2012 – May 2013

- Calculus-I
- Differential Equations
- Differential Geometry
- Mathematical Statistics
- Numerical Analysis

College Level Experience

Govt Gordon College Rawalpindi

National Internship Program

Jan 2009 – Dec 2010

- Taught Mathematics to B.Sc Classes
- Taught Mathematics to F.Sc Classes

Civil College of Commerce, Rawalpindi

Visiting Lecturer for Mathematics & Computer Science

Aug 2007 – May 2010

- Mathematics for B.Com Classes
- Computer Science for B.Com Classes
- Mathematics for F.Sc Classes
- Computer Science for F.Sc Classes

Entry Test Teaching Experience

Ken Academy, Islamabad

Visiting Lecturer for Mathematics

Sept 2007 – July 2012

- Entry Test Preparation Classes

The City School Capital Campus, Islamabad

Visiting Lecturer for Mathematics

June 2010 – July 2013

- Entry Test Preparation Classes

School Level Experience

Gulshan High School Lahore & Mandi Bahauddin

Administrator and Teacher

Apr 1987 – Oct 2006

- Taught Mathematics to Middle and SSC Classes
- Taught Computer Science to SSC Classes
- Taught Science to Middle Classes

Little Flower High School, Lahore

Senior Science Teacher

Sept 1986 – Mar 1987

- Taught Mathematics to SSC Classes
- Taught Physics to SSC Classes

Administrative Experience

Gulshan High School Lahore & Mandi Bahauddin

Administrator

Apr 1987 – Oct 2006

- Maintained discipline and academic administration
- Designed courses for all classes
- Organized seminars and student functions
- Managed student affairs and public relations

Research Publications

1. **Solution of Painleve Equation-I by Ramp Input of a State Space Model**
Field: Mathematics
Journal: Science International
Year: 2013
2. **Design of Bio-Inspired Computing Technique for Nanofluidics based on Nonlinear Jeffery-Hamel Flow Equations**
Field: Physics
Journal: Canadian Journal of Physics
Year: 2015
